A PUBLICATIONS SUPPLEMENT TO THE NEWS IS PUBLISHED EACH YEAR TO PROVIDE CURRENT ORDERING INFORMATION FOR THE LIBRARY'S NUMEROUS PUBLICATIONS. NEW TITLES AND PRICES ARE ANNOUNCED IN THE REGULAR MONTHLY ISSUES OF THE NEWS. THE U.S. GOVERNMENT PRINTING OFFICE AND THE NATIONAL TECHNICAL INFORMATION SERVICE ARE THE PRIMARY DISTRIBUTION POINTS FOR NLM'S PUBLICATIONS OFFERED FOR SALE. THE NATIONAL LIBRARY OF MEDICINE CANNOT ACCEPT ORDERS FOR THESE PUBLICATIONS. CLAIMS FOR PUBLICATIONS NOT RECEIVED SHOULD BE MADE FOLLOWING PROCEDURES OUTLINED IN THIS NEWSLETTER. OTHER INQUIRIES MAY BE ADDRESSED TO: OFFICE OF INQUIRIES, NATIONAL LIBRARY OF MEDICINE, 8600 ROCKVILLE PIKE, BETHESDA, MARYLAND 20014, ATTENTION: MRS. BECKWITH. OR CALL MRS. BECKWITH (301) 496-6308.

HOW TO ORDER GPO PUBLICATIONS

- WHAT INFORMATION SHOULD BE INCLUDED ON EACH ORDER?

  Include (1) order date, (2) full title (including year or volume number, if applicable) of the publication, (3) GPO Code or Stock Number, (4) price per copy, and (5) complete address (including country, if foreign) to which items are to be mailed. See examples at the end of the section. (Use a separate order sheet for each title requested.)

- MUST PAYMENT BE SENT WITH THE ORDER?

  Yes--remittance in the form of check or money order payable to the Superintendent of Documents must accompany the order. The only exceptions are if (1) you are charging the order to your prepaid deposit account (see page 4), or (2) you are a U.S. Government purchaser submitting a purchase order (minimum order $25). Note: Government purchase orders should not be submitted in advance of publication (e.g., with advance order form for CUMULATED INDEX MEDICUS).

- WHERE SHOULD ORDERS BE SENT?

  Superintendent of Documents, U.S. Government Printing Office, Washington, D. C. 20402.

- MAY ORDERS BE SENT TO THE NATIONAL LIBRARY OF MEDICINE?

  No--sending orders to the Library will cause delays, since NLM cannot process orders for any of its publications offered for sale.

- WHEN SHOULD ORDERS BE PLACED FOR NLM SUBSCRIPTION ITEMS?

  For the NLM AUDIOVISUALS CATALOG (quarterly) and INDEX MEDICUS (monthly): GPO now handles subscriptions for these publications exclusively on a calendar-year basis. Subscribers placing orders after the first of the year will receive back issues from the beginning of the year; subscription orders received after October 1st will begin the following year. (See page 5.)

  Other NLM subscription items: for new (non-renewal) orders, send the order three months prior to the time you wish your subscription to begin. For renewal orders, wait until you receive the GPO computerized renewal card which is furnished three months prior to expiration. If it is necessary to order without the computer card, send the mailing label from a recent issue with the order.

(Continued on page 3)

(How to Order, from page 2)

- HOW CAN I TELL HOW MANY MORE ISSUES REMAIN ON MY SUBSCRIPTION?

  With the NLM AUDIOVISUALS CATALOG and INDEX MEDICUS, as previously noted, all subscriptions are entered for one calendar year. For other NLM periodicals, check your mailing label which indicates the number of issues due (e.g., "ISSDUE003": three more issues are due on your subscription).

- ARE ANNUAL CUMULATIONS SOLD AS PART OF SUBSCRIPTIONS?

  In the case of the NLM AUDIOVISUALS CATALOG, the fourth quarterly issue is an annual cumulation. All other annual cumulations must be ordered separately after a price has been announced. GPO does not maintain standing orders. Most of NLM's annual cumulations and other annuals become available in the spring, with prices announced shortly before publication. Watch for new prices in the NLM NEWS and in several of NLM's other periodicals (e.g., INDEX MEDICUS and ABRIDGED INDEX MEDICUS).

- WILL ORDERS BE ACCEPTED BY GPO PRIOR TO PUBLICATION?

  Yes--but only if price and order number have been announced.

- MAY SUBSCRIPTION ORDERS (FOR PERIODICALS) AND NON-SUBSCRIPTION ORDERS (FOR ANNUALS AND ONE-TIME PUBLICATIONS) BE SENT TOGETHER?

  Yes--as long as payment in one sum is enclosed, you may send a number of orders together. However, use a separate piece of paper - complete with ordering information and mailing address - for each title.

- ARE DISCOUNTS AVAILABLE?

  Yes--anyone may receive a 25% discount for orders of 100 copies or more of a single title mailed to one address. A book dealer, buying for the purpose of resale, can also receive this 25 percent discount regardless of quantity if shipment is made to the book dealer's normal place of business.

- WHAT SPECIAL INSTRUCTIONS APPLY TO ORDERS FROM NON-U.S. CUSTOMERS?

  Unless otherwise specified, foreign orders should include an additional one fourth of the domestic price to cover mailing. (No additional postage is required for mailing within the U.S. and its possessions.) Remittances from foreign countries should be made by international money order payable to the Superintendent of Documents or by draft on a United States bank; UNESCO coupons may also be used. (See section on "GPO Prepaid Deposit Accounts" for an alternative method of payment.) Foreign currency and postage stamps are not acceptable.

- WHAT ABOUT PRO-FORMA INVOICES?

  These may be requested from the Superintendent of Documents, U.S. Government Printing Office, Attention: Customer Information Branch, Washington, D.C. 20402. However, publications will not be shipped until this invoice is paid, so please request this formal invoice only if necessary, otherwise lengthy delays may be encountered.

- WHAT DOCUMENTATION OF ORDERS SHOULD BE KEPT?

  You should keep photocopies of any orders, checks, etc., sent to GPO.

- ABOUT HOW LONG SHOULD I EXPECT TO WAIT FOR MY PUBLICATIONS?

  For subscription items, about 90 days. For non-subscription items, about 10 weeks (12 to 16 weeks for foreign shipments).

(Continued on page 4)

(How to Order, from page 3)

WHAT ABOUT BACK ISSUES?

Back issues are often available from GPO at the individual copy rate (see page 5). Except in the case of INDEX MEDICUS as previously noted, GPO will not send back issues with your subscription order; subscriptions begin with the next issue published, without reference to the time period you might have indicated on your order.

GPO DEPOSIT ACCOUNTS

The payment process is generally simplified if the customer has a prepaid deposit account with the Superintendent of Documents. This is especially true for foreign customers, who are otherwise obliged to furnish payment in the form of an international money order or draft on an American bank -- payment which must then be matched with the original order before the publications can be shipped.

You may establish a prepaid deposit account by sending a minimum payment of $50.00 in the form of a check or money order payable to the Superintendent of Documents, U.S. GPO, Washington, D. C. 20402. Payments on deposit accounts should be sent separately from orders for publications. The exact name and address of the individual or firm in whose name the account is to be carried must be clearly stated.

When an account has been opened, GPO will furnish a supply of special depositor order blanks and assign an account number. This number must be placed on all future orders. The order blanks used in submitting orders will be returned to you with notations showing publications mailed, explanations regarding items not available, the amount of the charge, and the balance remaining on deposit.

To assure that your subscription will include the January issue, order no later than October 1. Remittance must be included with the order. (See page 2).

IF YOU DON'T RECEIVE YOUR PUBLICATIONS FROM GPO

If, after following carefully the procedures outlined above, you still fail to receive your publications from GPO, you may send your complaint to the National Library of Medicine. Before doing so, however, please note the following:

- Use only the claim form included with this newsletter. You may photocopy the form freely for future use, or request additional copies of the form from NLM. Claims made without the form will be returned with blank forms to be filled out.
- Follow closely the instructions at the top of the claim form, and submit a separate form for each title claimed.
- Before sending your complaint, wait about 10 weeks (12 to 16 weeks if foreign) from the date the original order and remittance were mailed to the Superintendent of Documents. (Wait an appropriately longer period if the publications had not yet been published at the time you placed your order.)
- If you ordered through a book dealer, request from him the documentation required on the form. (Or request that the book dealer himself fill out the form.)
- Do not claim non-NLM publications (check GPO Publications List in this newsletter), and do not include new orders or payment with your complaint correspondence.
- The filled-in claim forms (or requests for additional copies of the form) should be sent to: Office of Inquiries, Attn: Publications, National Library of Medicine, 8600 Rockville Pike, Bethesda, Maryland 20014.

FOR MEDICAL CATALOGERS is distributed by the Medical Library Association, 919 N. Michigan Avenue, Suite Chicago, Illinois 60611. NOTES is issued annually, and provides updates and changes to NLM's classification system, including new headings and classification numbers.
